Write one paragraph telling what you discovered.

Write one paragraph telling how you found this information.

Write five new verses for the song “This Land Is Your Land.” Your verses must be about the five groups you studied in this lesson: American Indians, Latinos, European Americans, African Americans, and Asian Americans. The verses should contain information about where each group came from and the contributions each group has made to American society.

**This Land Is Your Land**

This land is your land, this land is my land,  
From California to the New York Island,  
From the redwood forest to the Gulf Stream waters,  
This land was made for you and me.
